

Annex 7 – Third Defendant Statement

The following is a statement given to the police by Yoshi, the third defendant.

Date recorded: 16 July 2021

Time recorded: 0100h

*I'm not going to lie – Toad was an a**hole. Did I dislike him? Yes. We were best friends at Eton, but I could no longer stand him when he got to Uni as he became arrogant and obnoxious. Did I kill him? Definitely not, I would never do such a thing.*

*Some others might tell you that I got into a spat with Toad at the May Ball dinner. I'm not going to deny this. The day before, I had caught my girlfriend cheating on me with Toad. I'm pretty sure Wario posted something on Instagram about that, you should ask him about it. I was mad, and he was taking the p*** at the dinner. So yes, I did get into a verbal argument with him. Not wanting to disrupt the dinner, we took it outside. But that is where it ended. I simply told him to "f*** off", and walked out of the College to have a breather. A couple of others were smoking on Trinity Street, so I joined them there for a bit of a chat.*

I suddenly had to use the toilet, and so headed back in. As I was washing my hands, a bunch of officers burst in and told me I was under arrest. Of course, I was suitably confused and flustered. It was then that I realised a body had been found. Admittedly, there was a small spark of joy when I heard that it was Toad, but that soon faded away. I can't believe that someone would actually murder someone, especially in such gruesome fashion.

I know nothing about who or what killed Toad. Heck, maybe he killed himself! Everyone knows he cannot swim, so I'm not sure what he was doing at the fountain anyway. If I were to pick someone, it definitely would be Waluigi.
